

shall provide to any person upon request all current data base update procedures and data formats.

(e) Systems shall use or display information concerning on-time performance of flights as follows.

(1) Within 10 days after receiving the information from participating carriers or third parties, each system shall include in all integrated schedule and availability displays the on-time performance code for each nonstop flight segment and one-stop or multi-stop single plane flight, for which a participating carrier provides a code.

(2) A system shall not use on-time flight performance as a ranking factor in ordering information contained in an integrated display.

(f) Each participating carrier shall ensure that complete and accurate information is provided each system in a form such that the system is able to display its flights in accordance with this section.

(g) A system may make available to subscribers the internal reservations system display of a system owner or other participating carrier, provided that all participating carriers are offered the ability to make their internal reservations displays available to subscribers, and provided further that a subscriber and its employees may see any such display only by requesting it for a specific transaction.

§255.5 Defaults and service enhancements.

(a) In the event that a system offers a service enhancement to a system owner or other participating carrier, it shall offer the enhancement to all participating carriers on nondiscriminatory terms, except to the extent that such service enhancement is still in the development stage or that participation is not immediately feasible for technical reasons, in which event the system shall make it available to all participating carriers as soon as possible.

(b) After October 1, 1993, no system may create or maintain a default in any system feature that automatically prefers one or more system owners over other participating carriers.

§255.6 Contracts with participating carriers.

(a) No system may discriminate among participating carriers in the fees for participation in its system, or for system-related services. Differing fees to participating carriers for the same or similar levels of service shall be presumed to be discriminatory.

(b) No system may condition participation in its system on the purchase or sale of any other goods or services.

(c) Notwithstanding paragraph (b) of this section, a system may condition participation in its system in the United States on a participating carrier's agreement to participate in the system or affiliated systems in other countries, if the system and such affiliates agree that:

(1) The display of services in such system and its affiliates will not use any factors related to carrier identity and

(2) Any fees charged the carrier shall not be discriminatory.

(d) A system shall provide upon request to carriers current information on its fee levels and fee arrangements with other participating carriers. A system's bill to a participating carrier for any fee must contain adequate information and be on magnetic media so that the participating carrier can determine whether the bill is accurate. At a minimum, booking fee bills must include the following information for each segment: PNR record locator number, passenger name, booking status, agency ARC number, pseudo-city code, CRS transaction date, city-pair information, flight number, flight date, class of service, and type of CRS booking.

§255.7 System owner participation in other systems.

(a) Each system owner shall participate in each other system and each of its enhancements (to the extent that such owner participates in such an enhancement in its own system) if the other system offers commercially reasonable terms for such participation. Fees shall be presumed commercially reasonable if:

(1) They do not exceed the fees charged by the system of such system owner in the United States or
